\* Indicates where Fars News and provincial news agency sources were used to correct obvious errors in the Ministry of Interior's data.

\*\* Approved candidate figures are based on information provided by the Interior Ministry's original approved candidate list, published February 10, 2016. In some provinces, candidates were added to the race beyond those on the ministry's list; in West Azerbaijan, for example, Shabestari won a seat despite not appearing on the original list.
